TENDER

EQUIPMENT PURCHASE – (1) 2024/2025 2WD ½ Ton Truck

GENERAL INSTRUCTIONS

1. All bids shall be submitted on the tender forms supplied with the document.
2. The Town of Wolfville considers that all suppliers act in good faith and intend to supply equipment and services of high quality.
3. The Town of Wolfville will not accept any equipment or material that is inferior to or substituted for factory supplied products.
4. The words "heavy duty" shall mean heavy duty in relation to the job requirements and not just a name on the equipment or material.
5. This tender is not intended to exclude standard equipment or materials except where specified.
6. This tender is not intended to favour any particular equipment, manufacturer or contractor. Any names or figures the same or similar to any specific equipment, manufacturer or contractor is purely coincidental. The phrase "or equivalent" shall apply where a particular specification, equipment, manufacturer or contractor is mentioned.
7. Recommendation of tenders will be based on the following:
 - a) The tender meets the needs of the Town of Wolfville without question.
 - b) The tender meets or exceeds the "Specifications".
 - c) The tender is approved by the department concerned.
 - d) All tender forms are complete in all respects.
8. The following items will not be accepted or considered:
 - a) Tenders arriving after the closing date and time.
 - b) Corrections or additions to any submitted tender unless initialled by the bidder.
9. Tenders are to be submitted electronically to kouterleys@wolfville.ca no later than 2:00 pm, Thursday, May 23, 2024

THE LOWEST OR ANY TENDER NOT NECESSARILY ACCEPTED.

THE TENDER MAY BE AWARDED IN WHOLE OR IN PART

GENERAL REQUIREMENTS

All articles shall be free from design deficiencies that may affect their operation or serviceability.

In all particulars not covered by this specification and/or tender documents production shall be in accordance with good commercial practice.

Materials not defined here shall be of the best commercial quality and suitable for the purpose intended.

The following specifications are prepared with the intention of providing a basis for securing competitive bids. Notwithstanding certain details of specifications, commodities or equipment of similar design and construction will receive consideration if, in the opinion of the using department, they are considered to be suitable for the intended application and generally conform to performance requirements. All bids on commodities or equipment not fully meeting the specifications shall be accompanied by a statement fully outlining any departures from the specifications and fully describing the commodities offered.

It is a condition of this tender that bidders submit description literature and specifications of the equipment quoted on and also be prepared, when requested, to arrange for a demonstration within five days of such a request at no cost to the corporation.

Parts book and shop service manual to be supplied on delivery of equipment. Shop manual to cover in detail all servicing instructions and repair instructions.

Warranty information is to accompany all submissions.

Prices are to include all applicable taxes and be F.O.B. Town of Wolfville.
