b. INTERNAL
1. AUDIT COMMITTEE
a. RFD 015-2015 – AUDITOR APPOINTMENT
The Town had gone to market for audit services and had received 5 proposals which had been scored by the Director of Financial Services and the Chief Administrative Officer. PricewaterhouseCoopers had the highest score. It was recommended that their firm be appointed for the upcoming year and on annual review reappointed for the next 3 years.

b. INFORMATION REPORT – QUARTERLY FINANCIAL UPDATE
The report presented was slightly different from the one included in the package and the revised report will be circulated to Council after this meeting.

A small surplus of just over $8,000 is consistent with earlier in the year. The lower gas prices should show some savings. Fuel costs are about $50,000 for the fiscal year.

The report was moved forward to the February 17 Council agenda.

9. STAFF REPORTS FOR DISCUSSION
a. INFORMATION REPORT – MIPIM OUTCOMES
Director Fuller presented the report noting that a grant had been obtained for the Mayor, Director Boyd and herself to attend MIPIM in France in March. It was noted that the follow-up after the trip would be important.

- Not seen as a lot of extra work for COW; 4-5 extra meetings
- Could be a Committee of the Whole
- This is an important facet of our community
- A number of Councillors have been involved over a number of years
• Clear direction needed; updates needed
• If Council is not ready to award the contract, the project should be cancelled; do not go back to the drawing board

The motion from the January 13 meeting was read
“That Council approve an additional $25,000 to complete the Recreation Master Plan in the upcoming 2015/16 Operating Budget and award the contract to the RETHINK GROUP and C. Talbot & Associates.”

• South Mountain Nature Preserve – Dams must be maintained in accordance with the easement agreement with Nova Scotia Nature Trust
• L’Arche – felt that the Town has done a lot for L’Arche; more time to decide
• Devour(outside policy) – some support but it was suggested that they should approach the WBDC for funding
• VON (outside policy) – some support but most felt this was more of a community services/provincial mandate
• Kings Seniors Safety Program – no support
• Annapolis Valley Search & Rescue – felt it should be discussed at KPSC  
• Trailhead infrastructure – supported  
• Clock Park water feature – still time for further information from Director Fuller  
• Streets/sidewalks – looking at curb to curb crosswalks  
  - Streets discussed included Little Road, King Street, Gaspereau Avenue, Winter Street,  
    Braemar Drive  
• Hoping to get tender out in March to award contract first of April  
• Street sweeping does not need to be tendered
