Agenda Item                                      Discussion and Decisions

   a. Kings REMO Heat Advisory and Response System and Kings REMO Hurricane Preparedness and Response Plan

b. Environmental summer camps overview        Alisha Christie updated Council on the recent summer environmental camps for children that focused on Earth Leadership. The camps were a big success and feedback from parents and children was very good. The camps were co-funded by the Mud Creek Rotary Club. It is hoped that similar camps will be funded again next summer.

4. Public Input / Question Period

5. Committee Reports                            There were no questions.
   a. Art in Public Spaces

6. Staff Reports for Discussion                 The committee met on July 24, 2019. The Art RFP was discussed and will be issued to tender shortly. Acadia Cinema Cooperative has requested funding for a mural and no recommendation was given at the meeting.
   a. MPS Review

(As a side-note, following the APSC meeting, a member of the public donated $750 to enable the Acadia Cinema Cooperative to move forward with their mural plan.)

Director Lake presented an overview of the new planning documents that are now on the Town’s website emphasizing the process that has taken place and the extensive community consultation that has occurred since this review started in 2015. He advised Council of the key highlights of the new documents and how they enable us to take our values into our built environment. There will be a Workshop on Sept 10th for Council and Planning Advisory Committee members to work through the new documents. There will be a number of opportunities for further public involvement.

Council members congratulated Planning staff on the format of the new documents advising they are easier to read than previous versions and they suggested topics for discussion at the Sept 10th workshop.

Council adjourned for a short break at 9.50 a.m.
Council resumed the Committee of the Whole meeting at 10.00 a.m.

<td>Before moving onto the remaining RFD agenda items Director MacLean summarized the capital budget overages to date for 2019-20 that total over $837,000. (Public Works Facility $250,000, Shoreline Protection &amp; Wharf repair $224,000, Wheel loader $20,800, 2 x pickup trucks $12,200, Gaspereau Avenue $175,000, Relocation of skateboard park $15,000). Director MacLean confirmed that we will use Capital reserves to cover these over budget amounts. The CAO also confirmed that she has reached out to other Municipal units to see whether they are also having issues with under-estimates from contractors/suppliers.</td>

d. **RFD 050-2019: Shoreline Protection and Wharf Repair**

Due to previous lack of interest from contractors bidding on the wharf repairs in Waterfront Park, staff packaged the wharf repair together with the shoreline protection project. The one bid received was over the original budget. A technical condition assessment will need to be carried out if Council decides not to support this repair now to determine what precautions should be done to the Wharf while awaiting repairs.

**07-09-19** It was regularly moved and seconded that Committee of the Whole forward the following motion to Council for decision; that Council award the Shoreline Protection and Wharf Repair contract as tendered for the total contract price of $524,550 plus HST. CARRIED

e. **RFD 053-2019: Community Development & Public Works Facility Upgrade**

There was some concern expressed in increasing the budget for facility upgrades by $250,000. As a result, there was a discussion by Council regarding the use of the RCMP space at the Town Hall as an alternative as it is anticipated that a new Town Hall facility will be built. It was clarified that discussion on using the RCMP space had been before Council in the past and previous direction from Council was to proceed in bringing back a proposal for the upgrades to the Public Works and Community Development Building and to not pursue utilizing the RCMP space.

An informal vote took place with 5 Councillors voting to revisit the past decision regarding the RCMP space. The CAO clarified that this would be revisited at the October COW meeting providing staff with time to hold further public consultation.

**08-09-19** It was regularly moved and seconded that Committee of the Whole forward the following motion to Council for decision; that Council commit an additional $250,000 to the Community Development Public Works Facility Upgrade to address code deficiencies identified and complete the renovations required to make the ground floor accessible and provide additional office space for staff. DEFERRED

8. Committee Reports (External)

a. Kings Point to Point Transit 
Councillor Brian

The Kings Point to Point Transit Society Board met July 23rd, 2019.

The Deputy Chief Administrator, of Municipality of the County of Kings, gave a presentation outlining the perspective of Kings and asking if there are efficiencies to be had. He offered the assistance of Kings finance staff in developing a business case. The board agreed to start the business case discussions at the regular September board meeting. Deputy CAO Frost also offered municipal assistance in removing regulatory hurdles such as tagging. The June 2019 statement of operations shows a year-to-date surplus of $23,188, with a 26% increase over budget in revenue from operations.

There were no questions.
